

# Regional Rehabilitative Care Program Presents: Best Practices in the North West LHIN

Join us for this one-day conference designed to support ongoing learning for physical rehabilitation professionals

**DATE:** Friday, November 17, 2017  
**TIME:** 8:00 AM to 4:30 PM  
**LOCATION:** Lakehead University  
Faculty Lounge  
955 Oliver Road,  
Thunder Bay, ON

Conference participants will have the opportunity to:

- Stay informed of best practices and quality-based procedures in neurology, orthopaedics, medically complex care, geriatric care and clinical education
- Learn new clinical skills and outcome measures
- Network with other rehabilitation professionals

**Guest Speaker:**

**Nicole LePine** will share her personal experience following a basal ganglia stroke at a young age and about the value of rehabilitation.

**Keynote Speaker:**

**Charissa Levy** will share provincial highlights and directions in rehabilitation.

Charissa is the Executive Director of the Rehabilitative Care Alliance.

This is FREE conference open to rehabilitation professionals working with adults across the continuum of care throughout the North West LHIN including:

Occupational Therapists, Physiotherapists, Speech-Language Pathologists, Kinesiologists and Dietitians.
